WHAT. A. YEAR.

There is no doubt that COVID-19 takes home Gold this year, greatly outcompeting every other thing that has happened since January. Let's take a trip down memory lane, to all the other notable things that will soon be written into our history books. A myriad of emotions comes from the year 2020 - happiness, sadness, frustration, betrayal, confusion, anxiety, fear, exhaustion, the list goes on.

So, here is an attempt at capturing the entirety of the year 2020 in just a few pages. It won’t be perfect. But we hope you can find closure. Find strength. Find resilience. Find hope.

JANUARY

- **3rd** - US drone strike kills top Iranian security and intelligence commander, Major General Qasem Soleimani, sparking talks of a possibly imminent WWIII
